This child care facility participates in the Child Care Food Program (CCFP) and is required to offer infant formula and food to your baby. The CCFP provides reimbursement for healthy meals provided and served to your baby while in our care. Our child care staff have been trained in infant feeding practices and offer age appropriate foods for your baby.

We welcome breastfed babies and support and encourage moms to continue breastfeeding when returning to work or school. For formula fed infants, we offer the iron-fortified infant formulas listed above to babies in our care.

To qualify for reimbursement, infant meals and snacks must include, at a minimum, the following food components at appropriate age and developmental stages:

- ~ Breastmilk or iron-fortified infant formula (or a combination of both)
- ~ Iron-fortified infant cereal
- ~ A variety of texture appropriate vegetables and fruits
- ~ A variety of texture appropriate meat and meat alternates
- ~ Bread or crackers

Please be aware this child care facility:

- ~ Requires the parent to label bottles of breastmilk or formula and containers of food that they provide with baby's name, date, and time of bottle or food preparation.
- ~ Can feed solid foods to infants younger than 4 months of age only when a medical statement is provided.
- ~ Can feed solid foods to infants in a bottle only when a medical statement is provided.
